AUTUMN 2012

Greg's a winner at Aspire Apprentice

Awards

We visited the Britannia stadium on 7th September along with our apprentice Greg Maxfield to attend the apprentice awards. Greg had been nominated for an award so was feeling a little nervous.

Greg has been with us now for almost 2 years, which has flown by. Greg has almost completed his apprenticeship in customer service which has supported him to develop his own skills and shape the thinking of our company.

Aspire patron Jonathan Wilkes was announcing winners and distributing awards to apprentices, when he announced Gregs name as winner of his category we were all thrilled (secretly Adam and I were not surprised as we have so much faith in Greg)! Aspire recognised Gregs commitment, hard work and excellent approach to customer service within the nomination and also through first hand

experience of Greg at PM and during visits to him at work.

Greg followed other winners out into the stadium to have pictures taken with their trophies we also grabbed a quick picture with Jonathan Wilkes. Well done Greg you've done us proud again!

AM Access are Silverdale Cricket Club Sponsors

We are very proud to announce that we will be the new kit sponsor for Silverdale Cricket Club. Adam has been working closely with the club for over a year now which is enough time for the fantastic team spirit and community approach to 'captivate you'. The club has an amazing management team who work tirelessly to make the provision for children, young people and adults the best it can be.

Players will be sporting our logo in the new season and we are supporting the club to;

- Select new kit
- Set up an online kit shop
- Establish an incentive scheme for junior and youth teams and

- Develop further sponsorship support through advertising

If you want to get involved and support Silverdale CC through sponsorship of the new advertising boards or through practical help and support contact us on
t:: 01782 849100
e:: info@amaccess.co.uk

The Club Badge and Our company logo will feature on the new seasons strip.

A Great BIG Thanks to all of the tenants in Stoke-on-Trent!

We have been working alongside the council and their strategic partners for many years on social housing properties across Stoke-on-Trent and Staffordshire.

We wanted to show our appreciation to the tenants across the city for their hospitality and support over the years so we had a little celebration. We offered small presents of chocolates and thank you cards to the tenants we visited as part of our 100th Batch of planned works.

As ever our customers were welcoming and eager to support us to get the job done. We undertook maintenance works across the city during the day, and were glad to receive hot drinks and warm welcomes everywhere we went. Thanks again to the residents of Stoke-on-Trent for a warm potteries welcome on this day and everyday.

Work at Height Safety Awareness day

The AM Access Team visited one of our favourite places—the Britannie Stadium to support and promote safer working practices at the HSE Event- 'Work at Height safety Awareness Day'.

We took along a number of our machines and loud voices to talk through demonstrations to the crowds. Front line workers and their managers and directors benefitted from seeing and experiencing safe applications for work at height. We also challenged directors to think through different applications and approaches to work at height within their companies.

We received excellent feedback on the day and following the event. We also made a few people very happy by taking them to the best view of the stadium— around 25metres in the air! As the sun shone down the pitch looked amazing.

It's time to get festive!

We already have festive plans for the big switch on of Xmas lights in businesses, homes and gardens across the country. Start planning now if you are hoping to deck your halls in time for Xmas, give our team a call on **01782 849100** to book machines to decorate your home, garden, place of work, church or community hall now!

Construction line— We're on!

We have Aspire to thank for our successful approval by Constructionline. We applied For Constructionline certification in parallel to our Aspire Tender as Constructionline Certification was cited as a desirable attribute.

We went live on the database at the end of the Summer following a successful application and registration.

What's coming up in the next issue.....

Watch out for news of our work at Silverdale Cricket Club and staff training and development in our issue.
